

Decision Notice

Duty to Consult on Street Tree Felling

Consultation Number: COL30131 and COL30143

Notice was given under S115 of the Environment Act 2021 and 96A of the Highways Act 1980 that this tree is proposed to be felled.

No objections have been received in relation to COL30131 and COL30143 and having reviewed all reasonable alternative solutions, we find that felling is necessary to safely facilitate Essex Highways footpath repair works.

Replacement planting will be carried out in the next available planting season after the scheme has been completed (November to March inclusive) and will be maintained to aid establishment in accordance with Conservation Area legislation.

Date of decision notice: 12 November 2025
